From the CMD's Desk

Dear Colleagues,

Since sharing my views in the last issue of AAINA, the company's business has continued to improve in terms of the service-mix with a capacity to generate a higher value addition. In the recent past, foundation stones for these projects of national interest were laid i.e Lady Hardinge Medical College & Hospital, New Delhi; Kalpana Chawla Govt. Medical College & Hospital, Karnal; Government Medical College, Palakkad, Kerala and these shall be executed by HSCC. AIIMS – Jhajjar's Outreach OPD was inaugurated, an agreement was also entered into with the National Institute of Animal Biotechnology (NIAB), Hyderabad to act as their PMC. HSCC has got number of projects on nomination basis from various State Governments. In addition to this, HSCC has bagged various projects on competitive bidding amidst stiff competition.

To meet the growing business scenario, HSCC is increasing its skilled professional manpower and getting quality manpower, which is a great challenge in itself. This initiative is being driven largely by a deeper understanding of client's needs; there has also been an increased focus on product innovation as markets constantly evolve, making us adapt to the changes.

Company continues to pursue its Business Development activity seriously. Efforts are being made to participate in a diverse range of health & social sector projects. To move to the next level, we will have to apply the same dedication to innovation in our journey to continuous improvement. In addition, we are trying to meet the challenges of increased businesses which may need more skilled professionals on the rolls.

It would also require on-going advances in our processes and technical capabilities as also further improvement in client – consultant relationships together with our commitment to clients to continually improve our offerings.

Company, on its part, continues to strive for highest standards of corporate governance and transparency through various checks and balances. The governance framework and practices are being reviewed periodically to ensure that these meet the corporate objectives. The finest example of these standards could be observed from the mega projects completed by HSCC in record time : AIIMS Out-reach OPD at Jhajjar in four months and Underground Parking at AIIMS in nine months. HSCC has also established first of its kind Hi-tech BSL – 4 Laboratory at MCC, Pune, which was inaugurated by Hon'ble Union Minister of Health and Family Welfare, Shri Ghulam Nabi Azad on 28th December, 2012.

I firmly believe, the next move of globalization will relate with skills and competencies; talent supported and enabled by information and communication technology is already redefining geography of the projects – this will continue to be more important in times to come. I expect this trend to go much beyond software and IT, more particularly in other areas of healthcare & social sector.

It is with an eye on innovation and value creation that the company has chalked out intensive training programme, over next two years, to refine skills and enhancing capacities & capabilities of its staff at all levels and create high programme culture. With this in view, stress is being made on knowledge upgradation through training and re-training of employees.

With gratitude, I acknowledge the dedicated effort put in by each and every employee. I take this opportunity for complimenting you for the committed performance without which the achievements would not have been possible. I am sure all the efforts being put in by the company will stand it in good stead in sustaining growth.

Gyanesh Pandey
Chairman & Managing Director

अध्यक्ष एवं प्रबंध निदेशक की कलम से

प्रिय साथियों,

“आईना” के पिछले अंक में अपने विचार साझा करने के बाद से कम्पनी के कारोबार में उच्चतम मूल्य के अलावा व्यापारिक क्षमता के साथ-साथ उसकी सेवाओं में सुधार प्रक्रिया को जारी रखा गया है। हाल ही में, एच एस सी सी द्वारा कार्यान्वित राष्ट्रीय हित में लेडी हार्डिंग मेडिकल कॉलेज एवं अस्पताल, नई दिल्ली तथा कल्पना चावला सरकारी मेडिकल कॉलेज एवं अस्पताल, करनाल ; सरकारी मेडिकल कॉलेज, पालक्कड़, केरला परियोजना का शिलान्यास किया गया है। झुझर में एक्स - आऊटरिच ओ.पी.डी का उद्घाटन हो चुका है तथा परियोजना प्रबंधन परामर्शदाता (PMC) के तहत अपनी सेवाएं प्रदान करने के लिये राष्ट्रीय पशु जैव प्रौद्योगिकी (NIAB), हैदराबाद के साथ एक करार भी किया गया है। एच एस सी सी को विभिन्न राज्यों सरकारों से नामांकन के आधार पर परियोजनाओं का काम मिला है। इसके अलावा, एच एस सी सी ने कड़ी प्रतिस्पर्धा के बाद प्रतिस्पर्धात्मक बोली पश्चात परियोजनाएं हासिल की हैं।

बढ़ते व्यापारिक परिदृश्य को पूरा करने के लिये, एच एस सी सी अपनी कुशल पेशेवर मानव-शक्ति (Manpower) में वृद्धि और गुणवत्ता जनशक्ति में बढ़ोतरी कर रही है जो उसके लिये सबसे बड़ी चुनौती है। इस पहल को बढ़े पैमाने पर ग्राहक की आवश्यकता और उसकी समझ के अनुसार संचालित किया जा सका है ; अर्थव्यवस्था में लगातार बदलाव के कारण अपने उत्पादों को नवीनतम बनाने पर विशेष ध्यान दिया जा रहा है। कम्पनी अपनी कारोबारिक गतिविधियों को आगे बढ़ाने के लिये निरन्तर प्रयास कर रही है। स्वास्थ्य एवं सामाजिक क्षेत्रों की विभिन्न परियोजनाओं में प्रतिभागिता के लिये प्रयास जारी हैं।

अगले स्तर तक जाने के लिए, समर्पित भावना से कार्य करने की इस नवीनतम प्रणाली को हम अपनी इस यात्रा में निरंतर बनाये रखेंगे। इसके अतिरिक्त, अपने कारोबार को आगे बढ़ाने के लिये रोल पर कुशल कर्मियों की और आवश्यकता होगी जो बढ़ती हुई व्यापारिक चुनौतियों का सामना कर सकें।

इस नीति की हमारी सतत प्रक्रियाओं तथा तकनीकी क्षमताओं के क्षेत्र में प्रगति के लिये आवश्यकता है जो ग्राहकों को दी जा रही सेवाओं को सुधारने एवं ग्राहक - परामर्शदाता के बीच रिस्को को सौहार्दपूर्ण एवं सुदृढ़ करने में मददगार साबित होंगे।

कम्पनी में अपनी ओर से, निगमित शासन के उच्चतम मानकों के लिये प्रयास जारी हैं। इस अनुशासनिक ढांचे और प्रथाओं की समय-समय पर समीक्षा की जा रही है जिससे निगमित उद्देश्यों को पूरा किया जाना सुनिश्चित किया जा सके। इन मानकों का बेहतरीन उदाहरण : एच एस सी सी ने विशाल परियोजनाओं को रिकार्ड-समय में पूरा करके कर दिखाया है ; चार महीने में एक्स आऊट-रिच ओ.पी.डी. झुझर तथा एक्स अंडर-ग्राउंड पार्किंग का निर्माण कार्य।

एच एस सी सी (HSCC) ने माइक्रोबॉथल कन्वैनेंट कम्प्लैक्स (MCC) में उच्च तकनीक की बी.एस.एल.-4 की प्रयोगशाला को स्थापित किया है, जिसका दिनांक 28 दिसम्बर, 2012 को माननीय श्री गुलाम नबी आजाद, केन्द्रीय स्वास्थ्य एवं परिवार कल्याण मंत्री द्वारा उद्घाटन किया गया है।

मेरा दृढ़ता से मानना है कि वैश्वीकरण की अगली रणनीति कौशल और दक्षता से ओत-प्रोत होगी ; जो प्रतिभा समर्थित और सूचना एवं संचार प्रौद्योगिकी के क्षेत्र में पहले से ही परियोजनाओं का भौगोलिक पूनर्विन्यास है, आने वाले समय में यह और अधिक महत्वपूर्ण होगा। मुझे पूरा विश्वास है कि यह प्रवृत्ति हमें सॉफ्टवेयर और सूचना तकनीकी से आगे ले जाकर स्वास्थ्य एवं सामाजिक क्षेत्रों से जोड़ेगी।

इस नवीनतम एवं मूल्य-वर्धित प्रणाली पर कम्पनी की निरंतर दृष्टि है जहां गहन प्रशिक्षण कार्यक्रम तैयार किया जाता है, अगले दो वर्षों में, उच्चतम कार्य-संस्कृति द्वारा कर्मचारियों की कार्यक्षमता को सभी स्तरों पर निखारने के प्रयास किये जायेंगे। इसी दृष्टिकोण को मद्देनजर रखते हुये, कर्मचारियों को पूनः-प्रशिक्षण द्वारा उनके तनाव को कम करके उनके ज्ञान का उन्नयन किया जायेगा।

कृतज्ञता के साथ, आप सभी के द्वारा समर्पित होकर किये जा रहे कार्यों के लिये मैं आभार व्यक्त करता हूँ। मैं आप सभी को बधाई देना चाहूँगा जिनके अथक प्रयासों के बिना ये बेहतरीन उपलब्धियाँ संभव नहीं हो पाती। मुझे उम्मीद है कि आपके द्वारा किये जा रहे बेहतरीन प्रदर्शन से ही कम्पनी इसी तरह विकास के पथ पर अग्रसर रहेगी।

ज्ञानेश पाण्डेय
अध्यक्ष एवं प्रबंध निदेशक

BSL-3 Laboratory VTCC, NRCE, Hissar

The Microbial Containment Laboratory, a BSL - 3 Laboratory for National Research Centre for Equines, Hissar was inaugurated on March 09, 2013 by Shri S. Ayyappan, Director General (ICAR). HSCC had undertaken the Construction, Testing, Commissioning and Validation of the above project on a turnkey basis.

The Scope of Work of the project comprised of complete construction, establishment of BSL-3 Laboratory facility including civil work, electrical works, PHE works etc. All the fixed equipment and system like autoclave, bio-safety cabinets, pass box, dunk tanks, HVAC System and its components, hot water generator, air compressor, computers, laboratory work stations, uninterrupted power

supply system, door interlock, access control system, building management system, fire detection and alarm system, fire extinguisher etc. were also installed by HSCC.

The critical consideration while designing the project included restricted and controlled access for entry into the laboratory, access control system for tracking/recording of entry and exit, shower facility from BSL-3 areas, appropriate negative differential pressures in laboratory, leak proof dampers, pressure balancing system, door interlocks, BMS and exhaust blowers, all bio-safety doors designed leak proof and DOP tested etc.

Training to the Medical Professionals from Myanmar

Ministry of External Affairs, Government of India have joined hands with HSCC for extending technical assistance to the Government of Myanmar with a view to improve its healthcare care delivery besides promoting cordial and bi-lateral relationship between the two countries. The areas covered under this programme were infrastructure development and cooperation projects, related activities for procurement and installation of medical equipment and training of Medical Professionals, which are being undertaken with technical and financial assistance from Government of India.

Under this initiative Up-gradation of two of its existing Hospitals i.e. Children Hospital Yangon and General Hospital Sittway was undertaken. HSCC (I) Ltd.'s team visited Myanmar to conduct the study and submitted a detailed project report. During the study, the need for training of the existing manpower was emphasized as it is one of the important aspects while planning to upgrade an existing hospital or in setting up a new hospital. With this in view a detailed module was prepared in consultation with the Medical Superintendents of the two hospitals and other officials for up-gradation of Knowledge and skills of medical and paramedical professionals.

To implement the training modules, HSCC collaborated with National Institute of Health and Family Welfare, AIIMS Trauma Centre, Safdarjung Hospital to draw a customized training program/study tour program for the health professionals of the level of doctors, technicians and nurses. The four training modules executed were:

1. Institutional Training of Hospital in Emergency Preparedness
2. ICU Neonatal and Pediatric
3. Management of ICU (Adults)
4. Management of Pediatric Cases

1. Institutional Training of Hospital in Emergency preparedness

The two week training programme was conducted by HSCC in association with National Institute of Health and Family Welfare and AIIMS Trauma Centre from 1st to 12th May, 2012. The programme was attended by 12 participants.

The training was imparted with a view to understand the Hospital Emergency Services through Lecture, Group Discussions, Case Studies, Role Play & Demonstration, Group Work and Presentation.

The main objectives of this training programme was to discuss and understand the Hospital Emergency Services with reference to its Principles & Practices, Organizational & functional set up, Planning & designing, Role of Trauma Nurse Coordinator & Physiotherapist.

The participants learnt how to apply the skills of ATLS, BECC, and AuTLS for managing the patients in Emergency services, Manage Acute Wound in trauma care Emergency, develop a disaster management plan for hospital and Deal with Medico-legal Case Records.

2. ICU Neonatal and Pediatric

The 3 week training programme was conducted by HSCC in National Institute of Health and Family Welfare and Safdarjung Hospital from 21st August to 8th September, 2012. This programme was attended by 12 participants.

The uniform methodology and tools like Equipment demonstrations, Clinical Skill Stations, Newborn simulated case discussions, Case discussion on Hospitalized neonates were used during the course. In addition to the above the module included Self reading, Group discussions, Role plays, Oral drills, Work stations on :Clinical skills: Equipment demonstration : Case Scenarios : Clinical case presentations.

The main objectives of this training programme was to strengthen their skills in Patient Care Management, Equipment Handling, Infection Control practices & surveillance, Organization of the Neonatal and Pediatric ICU, to empower Doctors, Technicians and Nurses for inpatient facility based Intensive Neonatal and Pediatric Care and prepare them to carry out capacity building in their country.

3. Management of ICU (Adults)

The 2 week training programme was conducted by HSCC in National Institute of Health and Family Welfare and Safdarjung Hospital from 21st to 1st September, 2012. This programme was attended by 12 participants.

The objective of the training was to enhance the multi-skills to manage critically ill patients either in the emergency room or in the intensive care unit.

The programme provides evidence-based knowledge by experts in their respective fields. The implementation of knowledge so gained will help improve the performance and quality of health providers.

4. Management of Pediatric cases

This was a 3 weeks training programme conducted by HSCC in National Institute of Health and Family Welfare and Safdarjung Hospital from 10th to 28th December, 2012. This programme was attended by 12 participants.

The programme emphasized on empowering Doctors, Technicians and Nurses for inpatient and outpatient facility based assessment of Neonatal and Pediatric Care and prepared them to carry out capacity building in their country.

Valedictory Session

This valedictory session held on December 29, 2012 was not only a celebration of success of the fourth and ultimate training programme but also an event of hardship, struggle and perseverance put in by the participants, faculties, facilitators in making all the four programmes successful and savour the learning. This was not an end, but a beginning of building a new relationship between the two countries.

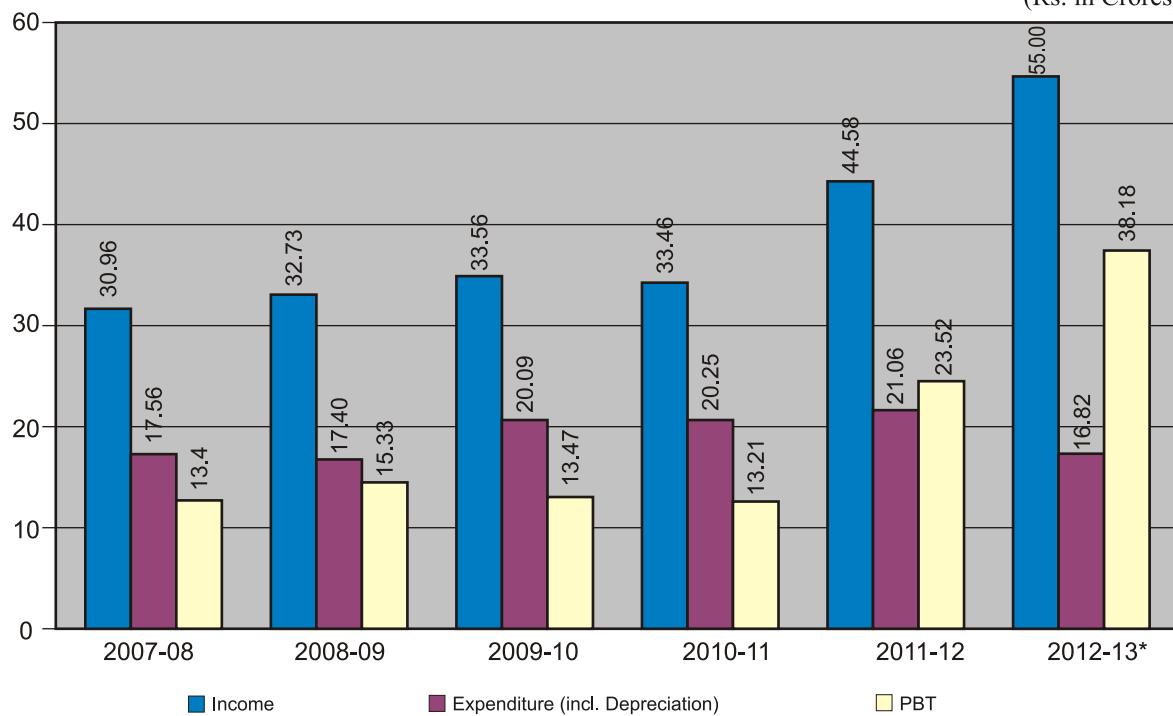

HSCC is continuously striving to be an organization providing solution to maximum aspects related to Healthcare service sector. This program was a step forward in this diversification process. HSCC already has a very strong presence in the area of Infrastructure development and procurement consultancy.

भारत पेट्रोलियम कॉरपोरेशन, नौएडा के सौजन्य से आयोजित हिन्दी निबंध लेखन प्रतियोगिता (Hindi Essay Writing Competition)

दिनांक 4 दिसम्बर, 2012 को नगर राजभाषा कार्यान्वयन समिति के तत्वावधान में भारत पेट्रोलियम कॉरपोरेशन, नौएडा के सौजन्य से “ हिन्दी निबंध प्रतियोगिता ” का आयोजन किया गया था। जिसमें नौएडा स्थित भारत सरकार के विभिन्न मंत्रालय / कार्यालय / उपक्रम / उद्यम में कार्यरत कर्मचारियों / अधिकारियों ने भाग लिया। एच एस सी सी की ओर से श्रीमती आर. सीतामणि, वरिष्ठ-प्रबंधक (पी. आर.) को प्रतिभागी (Participant) तथा श्री श्रवण कुमार, हिन्दी सहायक एवं अनुवादक को प्रतिनिधि (Representative) मनोनीत किया गया था। नगर राजभाषा कार्यान्वयन समिति के विभिन्न कार्यो एवं गतिविधियों में एच एस सी सी की ओर से दिये जा रहे उसके बहुमूल्य योगदान एवं उसकी गरिमामयी उपस्थिति के लिये न.रा.का.स. समिति सचिव ने शुभकामनाएं दी।

नव वर्ष - २०१३ की हार्दिक शुभकामनाएं

एच एस सी सी कार्यालय में नव वर्ष समारोह हर वर्ष बड़े ही हर्षोउल्लाहास के साथ मनाया जाता रहा है। कम्पनी के अध्यक्ष एवं प्रबंध निदेशक श्री ज्ञानेश पाण्डेय की अध्यक्षता में इस वर्ष नव-वर्ष समारोह बड़े ही हर्षोउल्लाहास के साथ दिनांक 01.01.2013 को कार्यालय सभागार में मनाया गया। जहां समस्त अधिकारियों / कर्मचारियों को अध्यक्ष महोदय ने अपने अध्यक्षीय उद्बोधन में कम्पनी की भावी योजनाओं एवं आगामी परियोजनाओं से अवगत करवाया। उन्होंने बताया

कि किस तरह कम्पनी का कारोबारी

ग्राफ बुलंदियों को छु रहा है, जिसमें समस्त कर्मियों का महत्वपूर्ण योगदान है। साथ ही, उन्होंने समस्त कर्मचारियों से अपील की कि हमें कम्पनी के टर्न-ओवर और लाभदायकता को बनाये रखने के लिये हमारे द्वारा प्रदान की जा रही अपनी समस्त सेवाओं में संव्यवसायिक अखंडता के साथ बिना किसी समझौते के चाहे वह व्यक्तिगत हो या सामूहिक अपने नैतिक सिद्धान्तों को बनाये रखना है।

स्वास्थ्य एवं परिवार कल्याण मंत्रालय द्वारा आयोजित हिन्दी कार्यशाला Hindi Workshop Organized By Ministry of Health & Family Welfare

दिनांक 26 और 27 दिसम्बर, 2012 को राष्ट्रीय मानसिक स्वास्थ्य एवं तांत्रिक विज्ञान संस्थान (National Institute of Mental Health & Neuro Sciences - NIMHANS) के तत्वावधान में स्वास्थ्य एवं परिवार कल्याण मंत्रालय द्वारा बैंगलोर में “ राजभाषा सम्मेलन एवं कार्यशाला ” का आयोजन किया गया था। जिसमें

स्वास्थ्य एवं परिवार कल्याण मंत्रालय के अपने विभाग

तथा मंत्रालय के अधीन समस्त कार्यालय / उपक्रम / उद्यमों में कार्यरत कर्मचारियों / अधिकारियों ने भाग लिया। इस संदर्भ में, एच एस सी सी की ओर से श्री नरेन्द्र पाल सिंह, उप-प्रबंधक (सिविल) ने भाग लिया।
